

Throughout the season, there will be days when the golf course must be closed to accommodate a member event or an outside tournament. In an effort to ease some of the inconvenience, Hidden Valley has entered into a reciprocal agreement with Roanoke Country Club and Hunting Hills Country Club to allow for a few dates where Hidden Valley members will be allowed to play at these other clubs for the cost of cart fee. In return, members of these clubs will be offered the same courtesy at Hidden Valley on the dates when their clubs are closed. This reciprocal agreement is only good for the dates listed and ALL tee times must be made through the HIDDEN VALLEY PRO SHOP.
